

**A message from
Prosecutor Terry Curry**

The Marion County Prosecutor's Office is committed to fostering healthy families and healthy children. Our office offers free crime prevention programs to help keep our community, our homes and our families safe.

Three interactive programs described here are specifically designed for young people, helping to guide them toward good decisions and an understanding of the consequences of their actions. Each of these programs is available at no cost to schools, youth groups, faith based organizations and other youth serving organizations in Marion County. Please contact our office to learn more about these programs and to schedule a presentation.

I hope you will join in our ongoing efforts to make Marion County a safe and healthy community for families and children.

Terry R. Curry

Marion County Prosecutor

CHILD SUPPORT ASSISTANCE

Did you know the Marion County Prosecutor's office can assist in the establishment, modification, enforcement and collection of court ordered child support?

For more information on child support collection, please call (317) 327-1800.

OTHER FREE PROGRAMS

*Offered by the Marion County Prosecutor's
Community Prosecution Division*

Schedule a presentation at:
(317) 327-3522 or MCPO@Indy.gov

Burglary and property crime

prevention: Available to neighborhood and community groups, this presentation offers information on protecting your home and vehicle from crime.

Power against fraud:

Available to senior serving organizations, retirement communities, and caretakers, this presentation teaches about the identification and prevention of scams, identity theft and financial exploitation of seniors.

Gang prevention: Available to any group, this educational presentation teaches parents and concerned citizens how to recognize gang activity and what can be done to keep children out of gangs.

Resources for crime prevention among youth

Project CyberSafe

Choices Not Chances

Educating Kids about Gun Violence (EKG)

Provided by

**The Marion County Prosecutor's Office
Terry Curry, Prosecutor**

Project CyberSafe

What is Project CyberSafe?

A one hour presentation about cyberbullying and how to stay safe online. Two unique versions of the presentation are available for students and parents.

- **Students** learn what cyberbullying is and the legal and emotional consequences of their actions.

They are also taught how to protect themselves and their personal information online.

- **Parents** and concerned adults learn how to prevent and address online bullying behavior among youth as well as tips to better monitor a youth's "media diet."

Who presents Project CyberSafe?

Deputy Prosecutors from the Marion County Prosecutor's Office.

Target Audience

- 9 to 14-year-olds
- Parents and concerned adults

Choices Not Chances

What is Choices Not Chances?

An interactive, online decision tree that teaches youth the consequences of good and bad choices.

Students navigate through scenarios involving gangs, bullying, and dating violence, highlighting the positive and negative outcomes of their choices in each situation.

Who presents Choices Not Chances?

Representatives from the Marion County Prosecutor's Office can present the activity to a group, or educators

and parents can access the presentation and scripts online directly to walk through with classes or their family.

Target Audience

10 to 18-year-olds

Educating Kids about Gun Violence (EKG)

What is EKG?

A one hour gun violence education and prevention program that works to stop gun violence among youth.

Students interact through a video presentation by answering questions related to how they would handle certain scenarios, or what the best choice would be.

Who presents EKG?

A representative from the Marion County Prosecutor's Office and a medical professional from Eskenazi Health.

Target Audience

10 to 18-year-olds
